

### **Saving the Multi-Media Presentation**

1. Right click on the Presentation link.
2. Select "Save Target As".
3. Save the file to your computer (i.e. desktop, c: drive).
4. Once downloaded, right click on the ZIP file and choose "Extract Here to Presentation CD".  
When completed, there should be one .pps file and four .wmv files.

### **Installing PowerPoint Viewer**

1. Right click on the Presentation link.
2. Select "Save Target As".
3. Save the file to your computer (i.e. desktop, c: drive).
4. Once installed, open the multi-media presentation.

### **Viewing the Multi-Media Presentation**

1. Double click on the file named "22 @ Progress Recorded Presentation.pps".
2. The slide show will change screens automatically. To manually proceed to the next slide, double-click your left mouse button.
3. The slides containing animations of the intersection and vehicles will resume automatically. To manually proceed to the next slide, double-click your left mouse button.
